

SINGLE ROW RIGHT ANGLE HEADER

SERIE 2567. (0.100"). For PCB solder.

Features

- Available in 2 through 40 circuits
- Mates with 2.54 mm (.100") single row sockets
- Glass filled polyester UL 94V-0 black color
- 0.64 mm (.025") square pin
- Pin length and plating options are available
- Without polarization. Easy breakway to desired circuits
- Other options consult with Commercial Department
