

SD / MMC CARD CONECTORES

SERIE 5510 . Para soldar a PCB.

Features

- Insulator Material: Nylon 6-T
- Contact Material: Phosphor Bronze
- Contact Finish: Selective Gold plating in contact zone and tinned in the solder area
- Frequency Range: 10 to 2000 Hz.
- Current Voltage: 3.3 V
- Operating Temperature: -25°C to 90°C
- Contact Force: Aprox. 0.3N(25-50g)
- Inserion Force: max. 40N
- Extraction Force: Min. 1 N
- Insulation Resistance: 1000 M Ohms
- Standard Life: 10.000 cycles minimum
