

1.27 mm. FLAT CABLE WIRING

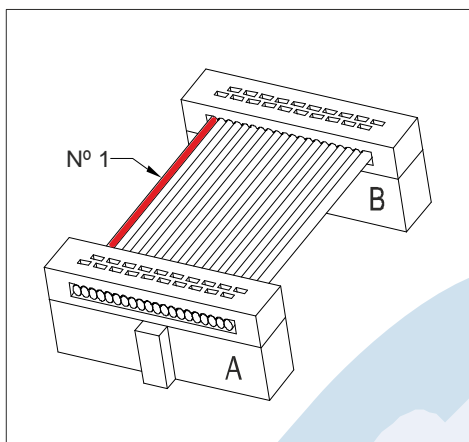

General Features

- CONNECTORS: 1341 serie (pluggable)
1340 serie (to solder on PCB)
- FLAT CABLE: 9063 serie
- LENGTH: custom cable according to client needs
- For assisted support options, contact our Sales Department

07 CONNECTOR SERIES

- A Conector: 1341 serie / B Conector: 1341
- CABLE: 9063 serie
- Configuration: 1 to 1, 2 to 2 N to N
- Position: Both connectors displayed in the same position
- Polarizing A connector facing outward
- Polarizing B connector facing inward

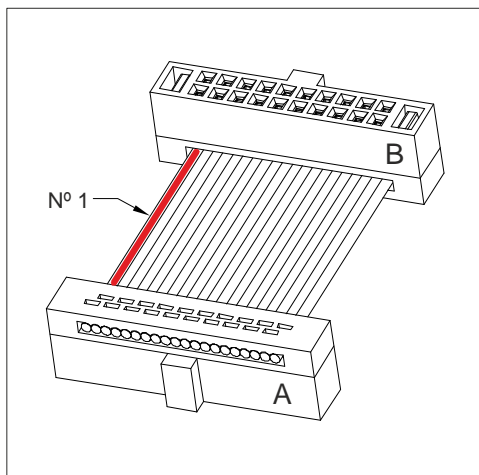

Ordering Information:

07- LLLL- NN
1 2 3

1. Connector Series
2. (LLLL) Length in mm.
3. (NN) Number of circuits

0F CONNECTOR SERIES

- A Conector: 1341 Serie / B Conector: 1341
- CABLE: 9063 serie
- Configuration: 1 to 1, 2 to 2 N to N
- Position: A Connector down and B Connector up
- Both polarizers displayed outward

Ordering Information:

0F- LLLL- NN
1 2 3

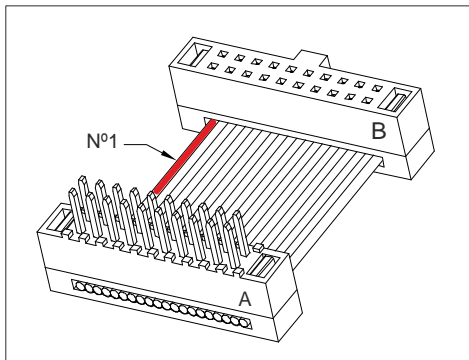

1. Connector Series
2. (LLLL) Length in mm.
3. (NN) Number of circuits

1.27 mm. FLAT CABLE WIRING

0G CONNECTOR SERIES

- A Conector: 1340 serie / B Conector: 1341
- CABLE: 9063 serie
- Configuration: 1 to 1, 2 to 2 N to N
- Position: Both connectors displayed in the same position
- A Polarizer facing outward
